Dear Friends,

Here is the final Circuit Plan for the June to August Quarter. Please accept my apologies that it's published a little later than is usual.

Please check the Plan carefully as there have been some changes of Preachers since the Draft Plan was issued for checking.

Any further changes must be sorted out by the Churches and Preachers concerned and notified to me as soon as possible. In the case of a Preacher who is poorly I will, of course, be happy to help arrange an alternative.

Yours in Christ,

Rick
