## Prayer Points

God of the earth, the sea and the sky, As we look around us we see change and uncertainty:

The effects of the changing seasons on the work of our farmers, and the security of homes and businesses.

The power of the sea on our coastline and the catch of fishing boats. The flightpaths of military aircraft pointing towards global political uncertainty.

May we know your steadfast love, and that in all times and all places you are there.

In the name of Christ, Amen

## Prayer Shawl Ministry

Three more shawls have been donated to the Circuit's prayer shawl ministry. These were blessed at this month's Prayer Breakfast, and they are now ready to be distributed. So, if you know of anyone who would benefit from receiving one of these shawls knowing that people are praying for them please contact Rev Tony Graff.

More prayer shawls are needed so if you have any preloved or new shawls that you no longer required please pass them on to Tony. Many thanks.
